

**General Carter**

Normally, oaths of office are administered by appointment clerks in the Office of Personnel but it is important that the other employees whose positions are designated in this memorandum have the legal authority to act in special cases.

Recommend your approval.

STAT

Mr. Bannerman thought that this memo was confusing (perhaps Colonel White will not agree).

I checked with O/Pers and found that the only change is to add the Chief, POD to the list and replace Executive Officer to the D/Pers with Executive Asst. to the D/Pers. I also found that there is a proposed regulation  in the mill to reflect the above changes.

STAT

Mr. Bannerman thought that General Carter might ask what the present listing is and what "organizational" changes have occurred.

Since he is away, I pass it back to you.
